The Playground is Underway!

There will be something new to see and play on for the students of HCS this fall! Ground has been broken and the new Harvest Christian School playground structure is getting assembled. It has been awhile coming, but there will be slides, monkey-bars, and more to enjoy at recess for our kids.

The new playground area is scheduled to be completed for use by the start of the year (*Tuesday, Aug. 30*). Please keep in your prayers those working on the project as well as give a big

'thank you' to Dan Boyd, Colton Irving, Kyle Petersen, and Jim Picci. These men have lead the way in planning, attaining the donated structure, working with the property owner and the City of Petaluma, and are donating time to complete the project. Thank you from all of us at Harvest Christian!

HCS would also like to thank our students, families, and supporters for your patience in waiting for this wonderful playground to finally arrive. We hope you all enjoy it for years to come.

eScrip a Must for HCS Families

There is an easy way for our families to fundraise for HCS and all you have to do is go shopping! Starting this year families of HCS students will be required to sign up under *Harvest Christian* in the eScrip program. There is no cost to you - just taking the time to register at

www.escrip.com (use *Group I.D. #137963229*). "eScrip is proven to be a fantastic resource for fundraising where participating business partners contribute a percentage of your grocery

loyalty cards, credit card, and debit/ATM card purchases to the school of your choice."

Please take the time to sign up and help HCS fundraise. For more information call the school office at (707) 763-2954.
